

# IGNITE

BALI 1960'S

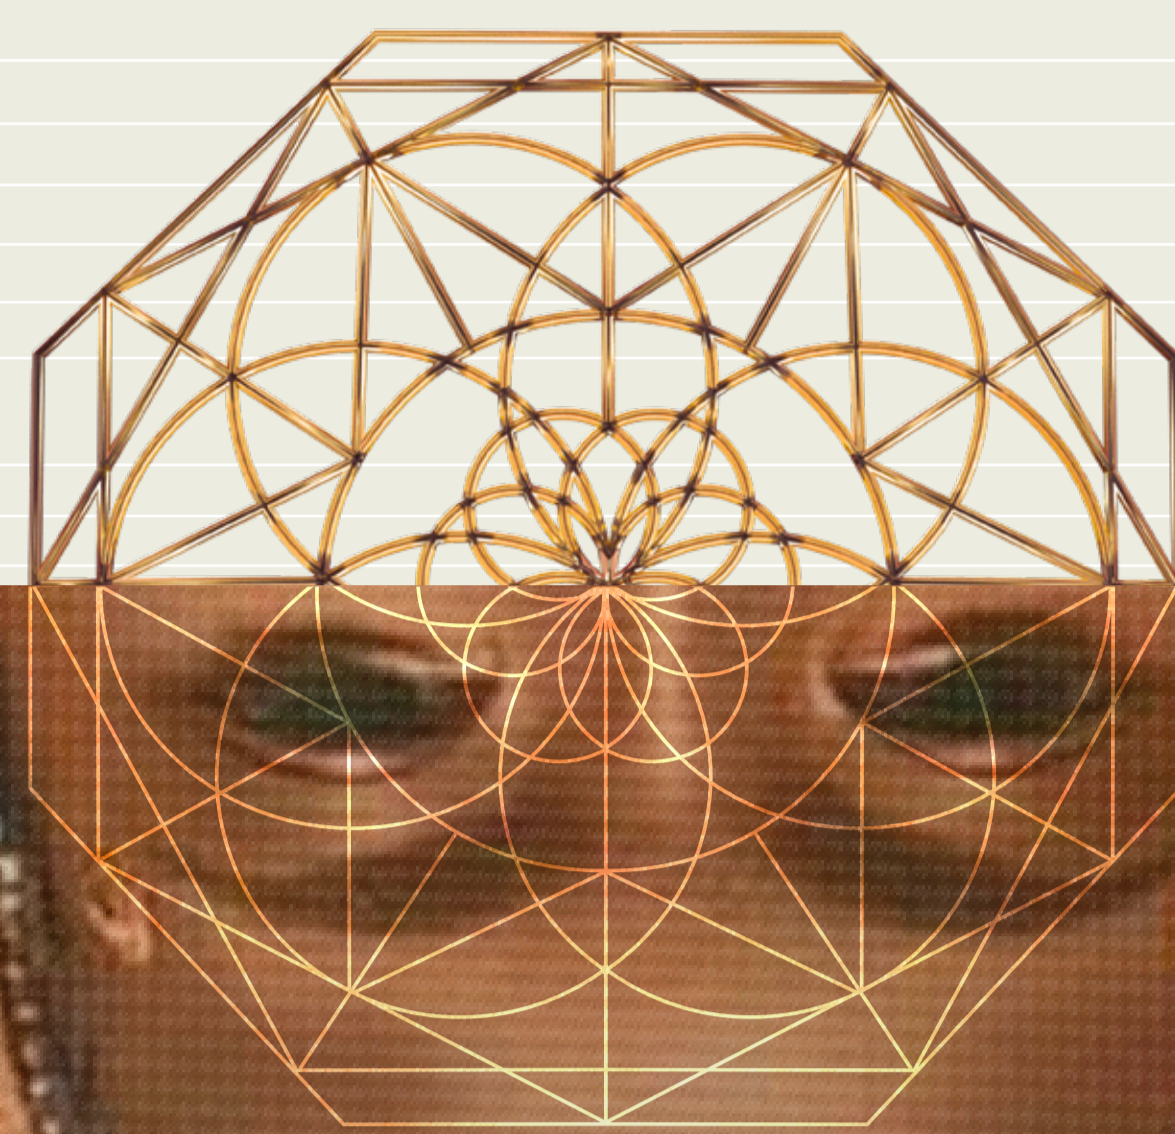

Just over 60 years ago, the year was 1960. A time when Bali was defined by sustainable living and a deep belief in agriculture. A time that solidified equality and community.

Nearly 60 years later, IGNITE was created to fuel the same kind of opportunity and equality through a system of discovery, experience, and education.

By accepting this invitation to this exceptional evening, you will be making a significant pledge to sponsor a local scholarship student.

With your help, these local students will one day be global changemakers.

A NIGHT TO CELEBRATE OUR PAST,  
SHOW OUR COMMITMENT TO OUR  
FUTURE, AND INVEST IN THESE BRIGHT  
YOUNG LEADERS.

## IGNITE CHEF OF THE NIGHT

Renowned chef and restaurant owner Jero Gede Yudiawan (Jero Yudi) will be plating the flavors of Bali's authentic cuisines, harvested from the water and woods of Northern Bali, to ignite your taste buds.

His incredible cooking skills has been recognized by the most acclaimed Indonesian chef, William Wongso, and has joined the maestro in introducing Balinese cuisines across the United States, Australia, Asia, and most of Europe.

In 2015 he took on the role of pemangku or priest, and has since carried both titles of chef and jero mangku (priest). Having already travelled the world, Chef Jero Yudi believed it was time to return to his village and give back to the place that has helped plant his roots deep into the culinary world.

Specialized in Indonesian cuisine, Chef Jero Yudi will be serving a selection of assorted **seafood** caught fresh from the Bali Sea, and **vegan dishes** enriched with the Balinese herbs and spices grown locally within the area of Desa Les.

## DESA IGNITE

Join us for an unparalleled adventure to explore Desa IGNITE. A village set in 1960 where life was sustained through community and a deep belief in sacred rituals.
